

This guide is an opportunity for us to join together in prayer, believing what God's Word says about the power and necessity of prayer. The Lord has established that He acts in response to our prayers as we pray in faith according to His will. As we focus our prayers together in specific ways, we believe we will see God move in power within and around us.

The prayer points focus us toward areas which Scripture instructs us to pray: for our pastors and each other, for ministries, missionaries, and government leaders, for persecuted believers, the lost, and Christ's return. We are also to cry out to the Lord with personal concerns and for our own growth; the Scripture for "Salem & Self" contributes to this.

"The prayer closet...is the battlefield of the church, its citadel, the scene of historic and unearthly conflicts. The closet is the base of supplies for the Christian and the church. Cut off from it, there is nothing left but retreat and disaster.

The energy for work, the mastery over self, the deliverance from fear, and all spiritual results and graces,
are much advanced by prayer." E.M. Bounds, *Purpose in Prayer*

**If the amount feels intimidating, start small – pick one each day to pray with us, to link arms as we all pray together to the Lord. See how your faith will grow and your relationship with the Lord will begin to strengthen.*

Islamic law treats Christians as second-class citizens, and militant groups in the north target Christians and their property with violent attacks and kidnapping. Ask God to bring peace and stability, and to give hope to His people through His faithful presence. Ask for His protection, provision, and for the safe return of those in captivity.

 - Leo and Miosha Robinson, Flint, MI: Leo grew up in a vibrant neighborhood in Flint with many churches. This changed when the GM plant closed: people moved, churches closed, and it became a place of great need and almost no gospel witness. When a study showed 80% of those in Flint had no faith background, God led Leo and Miosha to return to plant a church. Talking with the community, they decided to start with a laundromat – meeting their biggest felt need to open the door to meet their greatest need: salvation in Jesus. Pray for transformation in the community through this practical help and the power of the gospel.

 - Operation Christmas Child packed 12,205,900 shoeboxes last year, each one representing a child who will hear the gospel. The Chapra people in the jungles of Peru are among those reached. The gospel was presented and more than 1,000 shoeboxes given along with a gospel booklet in their own language, showing God's desire for a

personal relationship with them. Pray that they will grow in discipleship and also for Samaritan's Purse teams throughout the world as they deliver shoeboxes and reach other groups around the world who need the gospel.

- Persecuted believers in Pakistan: Christians endure many challenges, from everyday discrimination to the threat of deadly violence. An accusation of violating blasphemy laws can provoke mob violence. The danger has forced many Christians underground. In 2025, Voice of the Martyrs held a retreat for ministers and their families for rest, recovery, and spiritual enrichment: "We can rejoice that in the midst of all the bad things...beautiful things are also happening." Pray that believers' faith will be strong and they will feel the body of Christ standing with them. Pray for their protection from imprisonment and violence and that the church will grow and flourish.
